BROKER PARTICIPATION WELCOME

ENVIRONMENTS FOR *Living*

Because of R. L. Workman, L.L.C.'s continuing and ongoing program of research in housing, and the possibility of material shortages, there may be current or future changes made in the building products, materials, methods or design used in your home which may be reflected in the construction of our models. Square footage is approximate. Modifications and price changes such as these may be made without prior notice. Lot premiums may apply. **07/20/2022**

Canada Vista

Quality Construction As a local, family-owned company, R.L. Workman Homes takes pride in their reputation. All plans are stamped by an independent, licensed structural engineer to ensure quality construction from the ground up. The foundation, roof truss and framing system are all designed for structural stability.

Energy Efficient Home ALL homes built by R.L. Workman earn 2 certifications to save YOU money on your utility costs: Energy Star Certified Home (energystar.gov), Environments for Living Guarantee (environmentsforliving.com). Homes also include high performance Low-E Dual Pane Milgard vinyl windows.

Appliances GE appliances with self-cleaning electric range, dishwasher, and microwave/hood. Extensive upgrade options also available: Electrolux, Wolf/Sub-Zero and Dacor.
